Vons, Inc., Opening In Harbor District Is Great Success

Last Saturday's opening of the Torrance store of Vons, Inc., which serves the harbor district, proved a tremendous success, and Charles Vonderahe, president and general manager of the big chain, personally expressed his gratification and pleasure at the welcome given the harbor district unit in this community.

Mr. Vonderahe explained that by buying only the very best merchandise, taking advantage of any depression in the markets, and buying direct from the manufacturers in large amounts as the volume of the business calls for, the retail prices in the Vons, Inc. stores have been definitely affected. The stores, he said, are operated in an effective and systematic manner, relying wholly on the volume of goods passing over the counters for the profits.

SECTION 6. The City Clerk shall certify to the passage of this ordinance and shall cause the same to be published once in the Torrance Herald, a weekly newspaper of general circulation published and circulated in the said City of Torrance, and thereupon and thereafter this ordinance shall be in full force and effect.

Services Are Held For Mrs. Phillips

Funeral services were held today at Stone and Myers' chapel for Mrs. Emma Phillips, 75, of Redondo, who died Wednesday morning at Torrance hospital.

Mrs. Phillips is survived by one daughter, Mrs. J. F. Maxwell, of Fresno, and two sons, B. M. Phillips and H. F. Phillips, of Los Angeles and Fresno, respectively.

Retiring President Is Tendered Party

La Venta Inn at the Palos Verdes Estates was the scene of a pleasant party Tuesday afternoon, when the retiring board of the Women's Club entertained Mrs. J. F. Stone, their president, with a bridge luncheon. Places were laid for 12 in the small dining room overlooking the bay.

A centerpiece of blue and pink bachelorette buttons in a holder of blue and silver graced the center of the table. On either side and blue candles in holders to match the centerpiece lent their soft color to the scene. The candles were surrounded with Cecil Bruner roses. Blue and silver nut cups were set at each place. These decorations were the work of Mrs. R. E. Smith, a member of the board. The hand-painted place cards were the work of Comet Brooks, son of the new president of the club.

After the luncheon three tables of bridge were enjoyed. The club's parting gift to Mrs. Stone was a beautiful leather purse, in token of the appreciation felt for her work during the past year. Those enjoying the delightful affair were Mrs. J. F. Stone, Mrs. J. S. Lancaster, Mrs. N. F. Jamieson, Mrs. O. S. Fossum, Mrs. P. G. Briney, Mrs. S. C. Collins, Mrs. W. M. Brooks, Mr. George W. Neill, Mrs. Isabel Henderson, Mrs. W. J. Neelands, Mrs. F. E. Miller, and Mrs. J. H. Milburn.

Mr. and Mrs. Ted Frenger entertained at a bridge dinner last Thursday in honor of the wedding anniversary of Mr. and Mrs. Raymond C. Young.

Big New Apartment Ready for Tenants

"Mayfair," the Safety Investment Company's big new apartment house at Redondo boulevard and Sartori, is being decorated and is now open for inspection and rentals.

Twenty modern apartments are contained in the two-story, well-appointed brick structure. All fixtures are of the most up-to-date type, and everything possible in the way of conveniences has been built into the apartments. The building, as it is completed, has the appearance of a stately apartment home. Tall-greenery and shrubs at the entrance give a pleasing touch.

The "Gaylord," a 12-apartment structure just across Redondo boulevard from the "Mayfair," also is nearing completion.

Operations at the O'Donnell well on South Main street between East road and Carson have ceased. The derrick was taken down during the past week and the machinery removed. Bad water conditions were reported to have been a factor in the abandonment of the oil project at this time on the property.

Derrick Is Removed At O'Donnell Well

Operations at the O'Donnell well on South Main street between East road and Carson have ceased. The derrick was taken down during the past week and the machinery removed. Bad water conditions were reported to have been a factor in the abandonment of the oil project at this time on the property.

From one small store 15 years ago, located on the outskirts of Los Angeles, Vons, Inc., has expanded until it is now one of the leading chain stores in Southern California, having markets in 20 cities. One hundred stores by January 1 is the plan now being formulated by the company. "One hundred markets filled with pure goods, corded clean handling, 100 shops in 100 neighborhoods, 100 shops where children are waited on patiently and courteously, 100 examples of thrift combined with quality and value—this is Vons," said Mr. Vonderahe.

The meat market in the Vons Torrance store is operated by Cliff Jolley, who has been in the meat business since he was 7 years old. Cliff is still young and full of pep, and he "wants to grow with the town."

"I expect to do it," said Cliff, "by selling the very best meats obtainable." He personally goes to the packing house to select all meats sold in the market.

M. W. Feffer, a chain operator of fruit and produce stands of long experience, is proprietor of the vegetable and fruit market in the Vons store. He has now six stands in the Los Angeles district.

"Buying power, particular knowledge of the business, merchandising facilities of a chain of stands, mean better service for the buying public," says Mr. Feffer. He explained that only quality merchandise personally selected by himself appears on his stand for the selection of the housewife.

We try to eliminate the dishonest practices, the short weight, the overcharging, the substitution of inferior merchandise, and other evils that neither you nor we like to encounter when we go out to buy our daily food.
